Director

Dr. Roland Rasmussen

Dr. Rasmussen is a graduate of Bob Jones University and holds a Bachelor of Science, Bachelor of Arts, Bachelor of Divinity, Master of Arts and Doctor of Divinity degrees.

It is his desire that each student come to a personal knowledge of Christ as Saciour and grow into citizens that honor the Lord.

Principal

Mrs. Rasmussen graduated from Bob Jones University. She has also received a Master of Arts from Cal-/State Long Beach. As a principal, she cares for each student and is willing to talk to anyone who wishes or may need help.

Annual Staff

Members of the Contender staff worked very diligently to produce the 1980 Contender. After designing the cover, each member worked on layout pages. Each page involved the planning and cropping of pictures. Typing the final copy was the final step of the process.

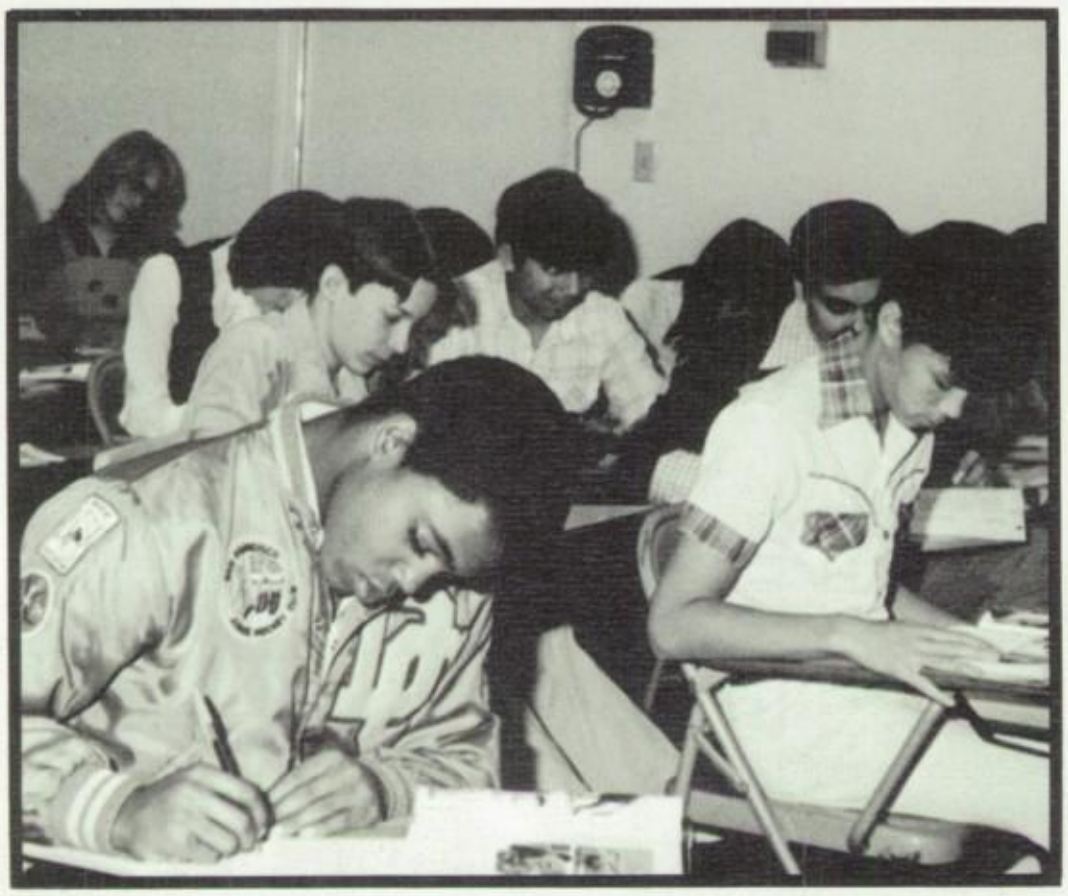
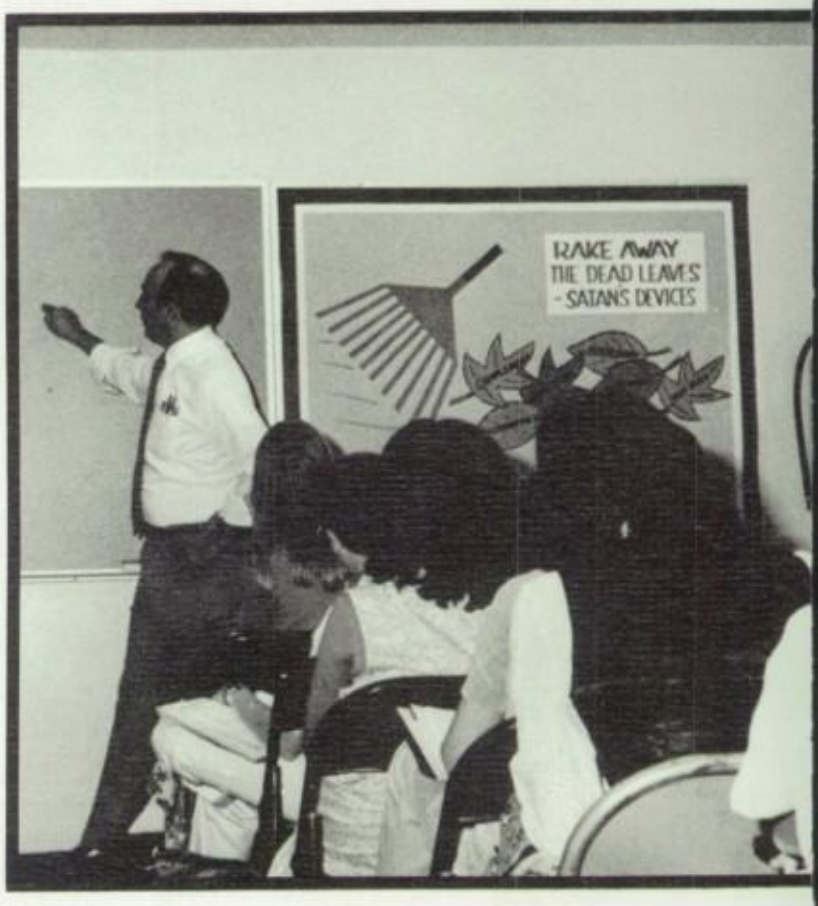
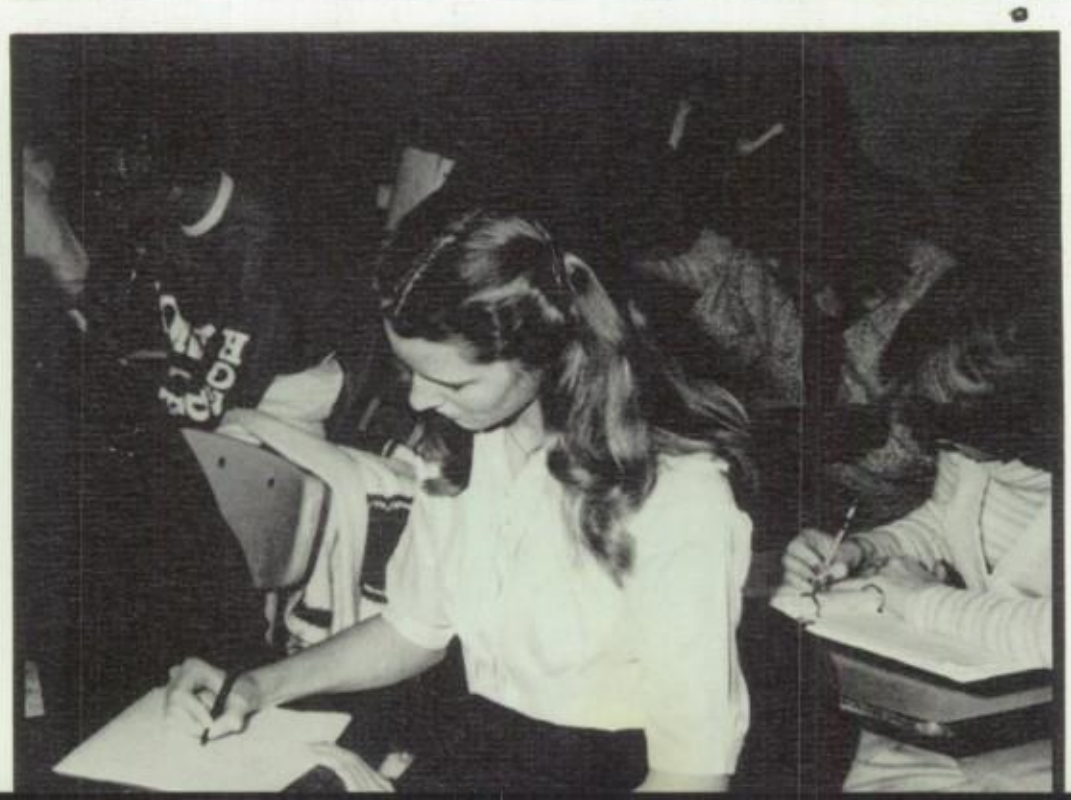
HIGH SCHO







101 CLASSES

80 reflections of faith

Seniors

Tanya Anderson

For these seniors the last year of high school has offered a variety of challenges and events. Their studies include such courses as advanced math where they are challenged by calculus and trigonometry. English and American literature offer them studies in Shakespeare, Chaucer, Wordsworth, Twain, Sandburg, and Frost as well as many other authors. Such classes as bookkeeping, annual staff, and typing are also offered.

Eleventh Grade

In addition to such academics as English and United States history, eleventh graders are also offered such electives as typing and annual staff. Others take more work in math and science in the study of calculus and chemistry. Students must also finance the creating and producing of a special program at the annual Junior-Senior Banquet. Months of preparation go into this event.

One of the most challenging courses in the tenth grade is anatomy and physiology. Students learn in great detail about the muscles and bones in the human body. Students in the picture below are studying a model of a human leg and shoulder tissue. Tenth graders also take a course in music appreciation where they learn about great music. Because we live in a day where we are bombarded with "rock and roll", this is an especially important study.

Ninth Grade

The first year of high school is an exciting challenge for these students. Such courses as Algebra and Spanish offer them a wider area of study than they have previously had. They also learn a great deal about the muscles and bones in the human body as well as plant and animal life in biology. Academic excellence is also stressed in such classes as English and world history. As a group, they begin to work on future class projects. These include a special gift to the school at their ninth grade graduation as well as banquets and outings to be held in other years.

The Medical Emergency Disaster Squad is a program which was instituted to prepare our school for earthquake or fire disaster. Each member of the group has undergone six weeks of first aid training including cardio-pulmonary resuscitation, artificial respiration, and treatment of minor wounds. They must demonstrate proficiency in administering CPR and artificial respiration on Resusci-Annie, a life-like model used for teaching purposes.

ACTIVITIES

reflections 80 of faith

Americans On Parade

Under the direction of Evy Anderson the annual Patriotic Program was a tremendous success. Entitled "Americans on Parade," the program gave a visual and spoken history of famous Americans. Included in the work were such people as Lincoln and Washington as well as Lindberg and Theodore Roosevelt. The multimedia was under the direction of Michael Moreau and Hiro Yoshida and Glenn Christianson wrote and arranged the music.

Homecoming '79

Under the direction of Mr. Hiro Yoshida the 1979 Homecoming was a success. Over 1750 gathered as the Faith Baptist Contenders met the Village Christian Crusaders. The Faith Baptist Varsity triumphed with a score of 52-6, while the Junior Varsity had a victorious score of 36-14. Half-time activities included the release of a thousand colored balloons and a flock of racing pigeons during the playing of the National Anthem. Displaying red lights and sirens, two West Valley Division Police cars came on the field followed by a United States Air Force Color Guard. They were followed by five colorful racing boats carrying the cheerleaders. After the entrance of the Contender float, Teri Capaldi and Lorraine Lutz did a routine on horseback. The festive day culminated with a banquet and a program. Mr. Fletcher Anderson spoke on sports, the film "NFL Football Follies" was shown, and the cheerleaders sang special songs honoring the teams.

Eighth Grade

Eighth graders receive a good basic education in fundamental areas. The American history course is a study of God's plan for our country. In the discovery of America and the forming of our republican governmental process is seen the Lord's provision for this nation. The Bible course is a survey of Old Testament heroes and villains. The teaching is used to stress good character traits. The math course is a review of all basic fundamentals plus an introduction of algebra and geometry.

Seventh grade is an exciting year for these students. For the first time students travel from class to class, meeting a time schedule on their own. They learn to do the required work for as many as seven different teachers in such fields as English, math, science, Bible, and world history. They are also offered graphics and sewing. Like all other junior and senior high school students, they may also take piano and voice.

Mrs. Yoshida

Mr. Yoshida

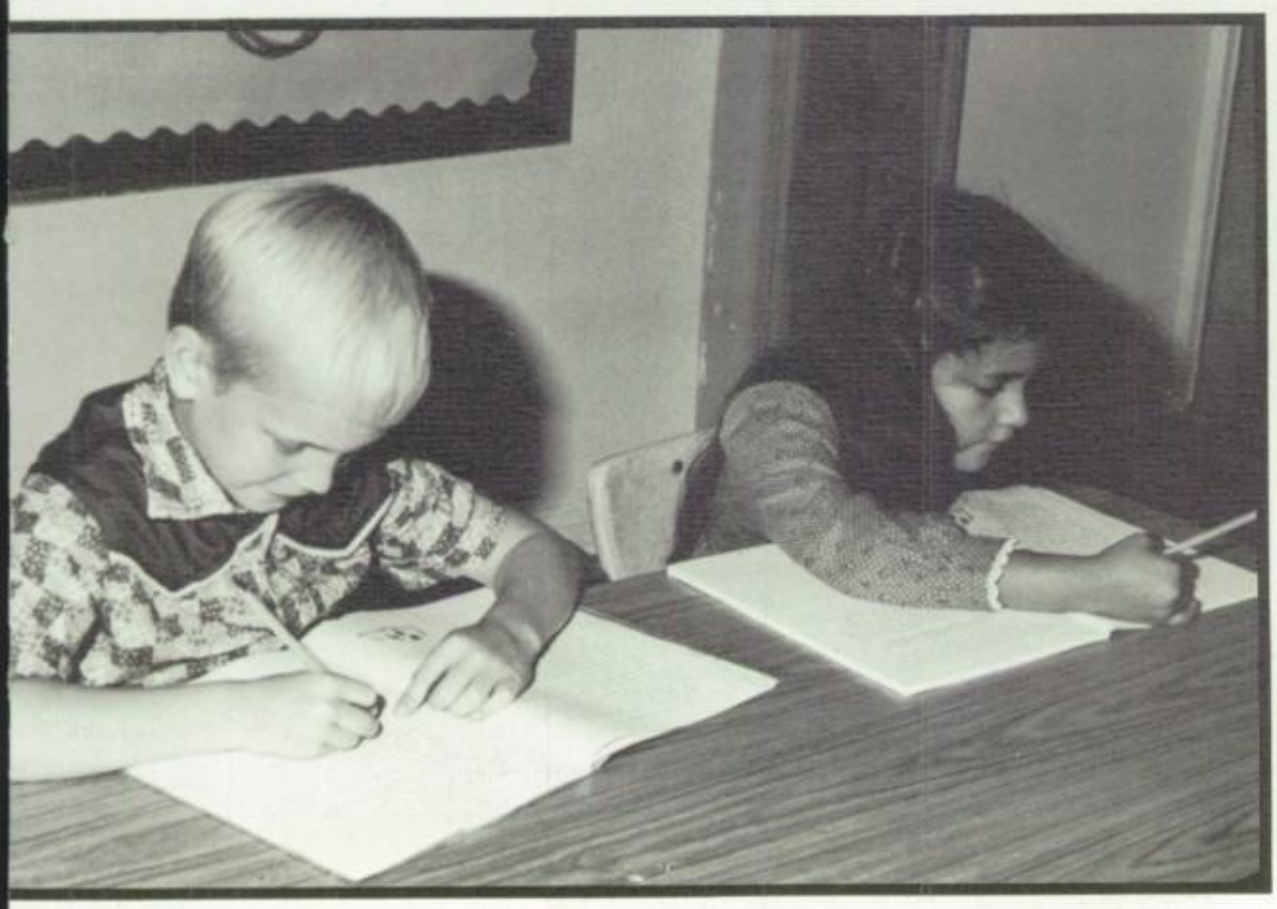
Carolann

Marilyn

Simba

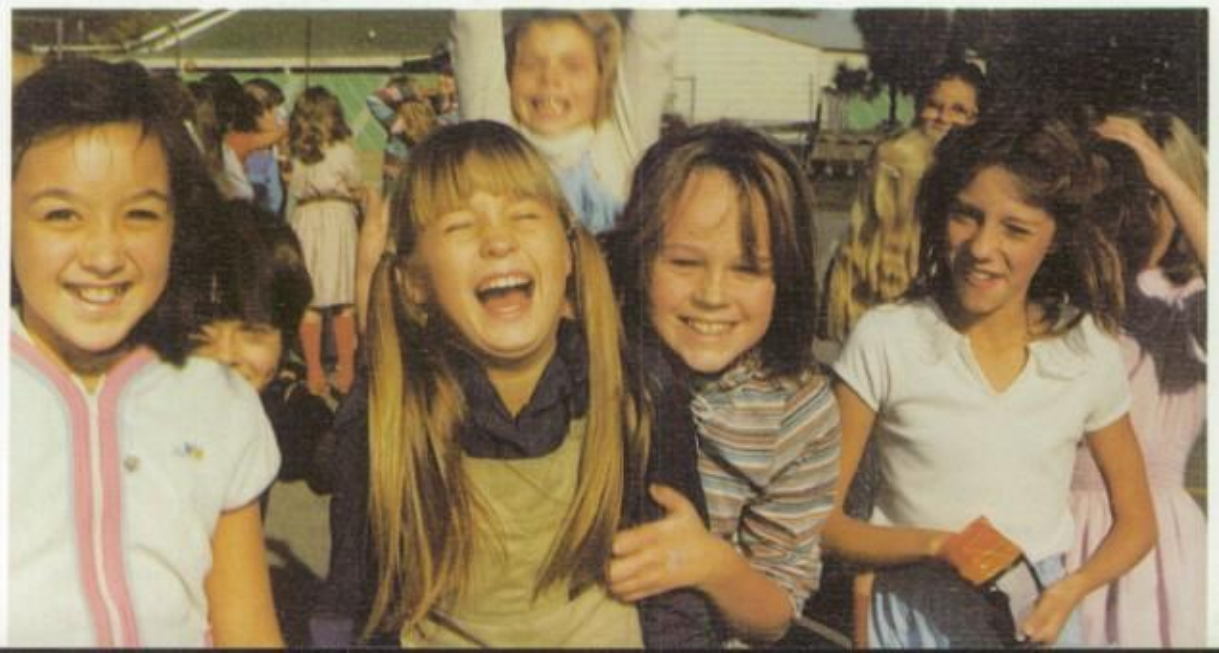
Mrs. Yoshida is a great asset to Faith Baptist Schools. She is not only faithful in her own responsibilities, but is always willing to help others. Mr. Yoshida, a professional photographer, often gives of his time to the school. This year he directed homecoming activities and did a magnificent job. Both Carolann and Marilyn are active students, Carolann at Faith Baptist while Marilyn is at Hyles-Anderson College in Hammond, Indiana.

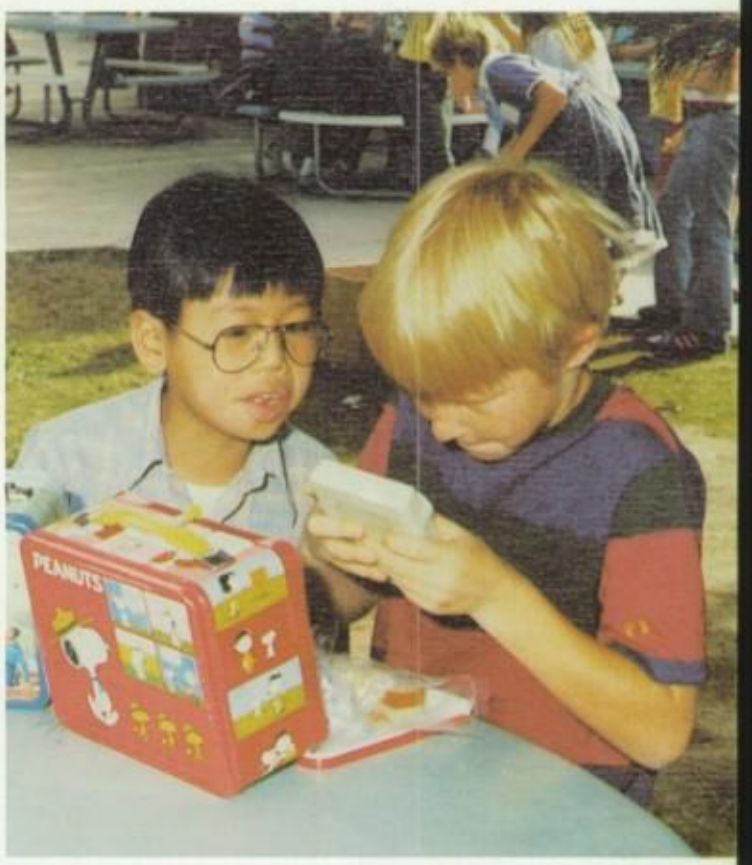
Reflections Of Faith. . . God working in the life of a Child



. . .Let little children to come unto me, and forbid them not...

Luke 18:16

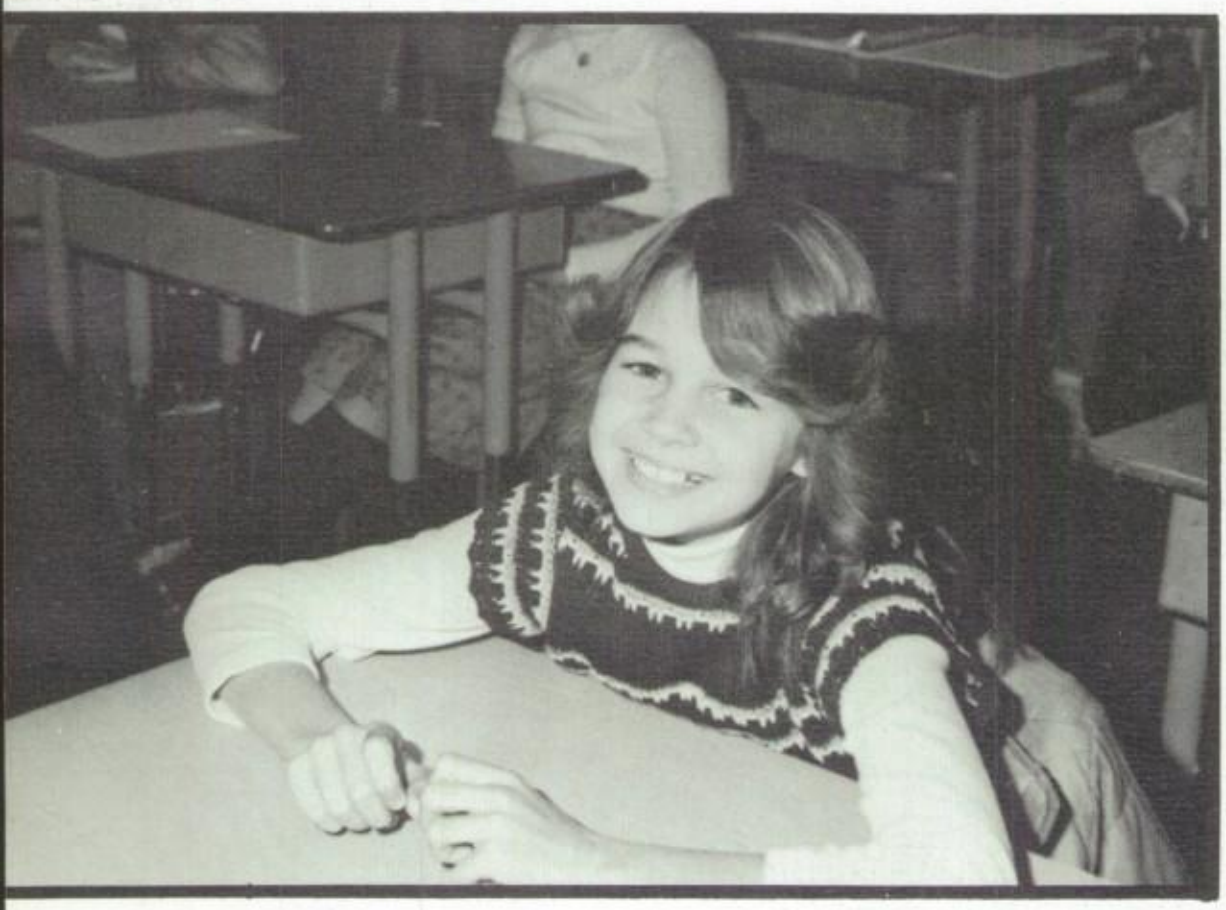




PEANUTS

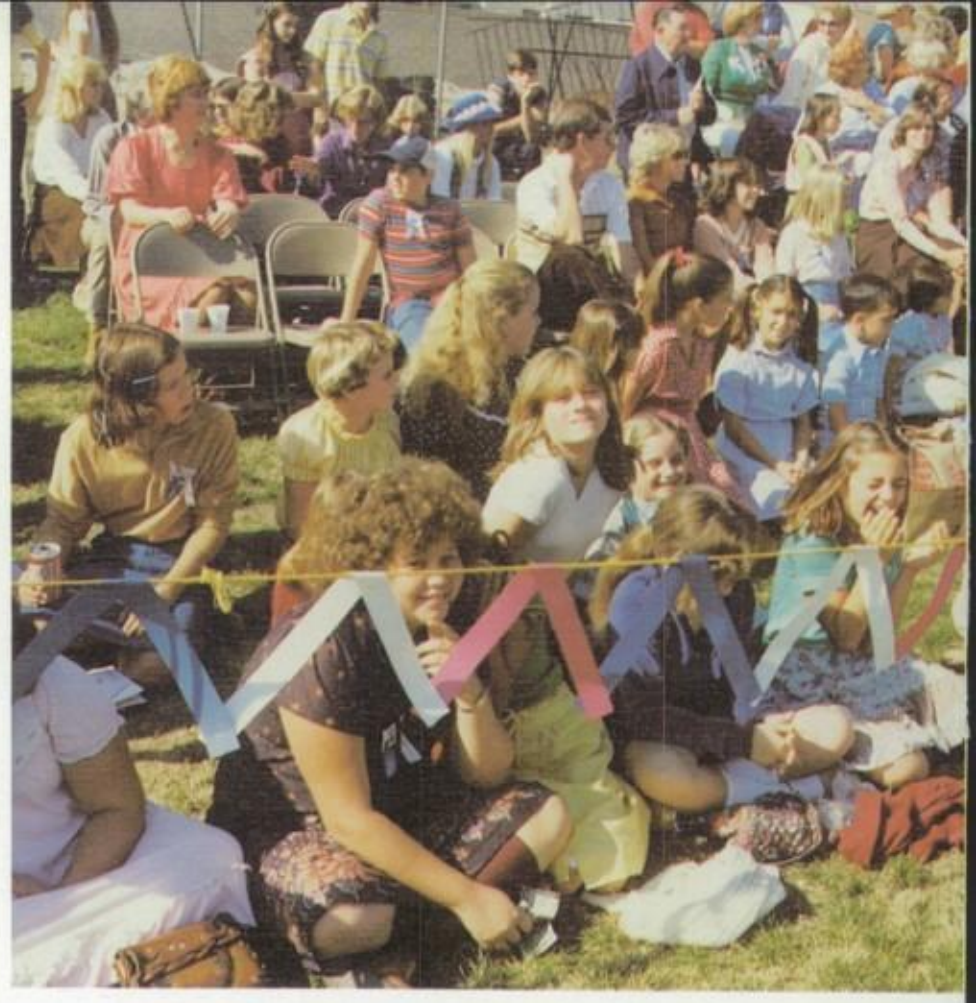
Reflections Of Faith . . .

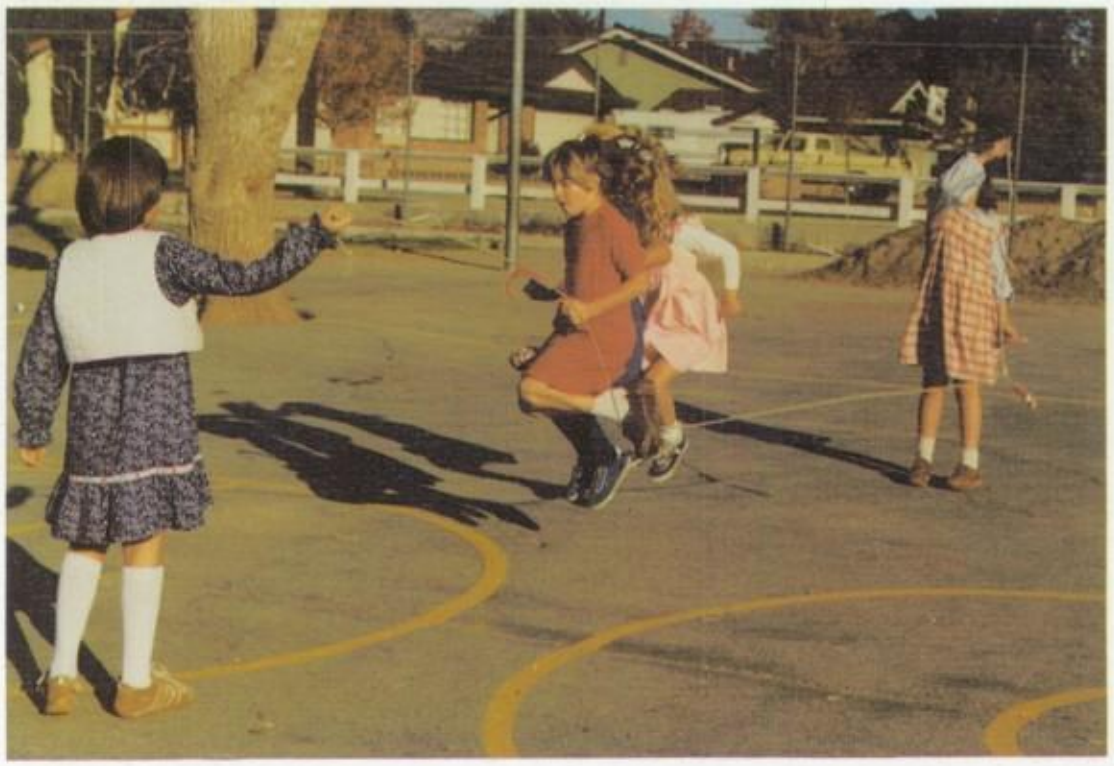
Mirror God's blessings, the ability to achieve the freedom to play

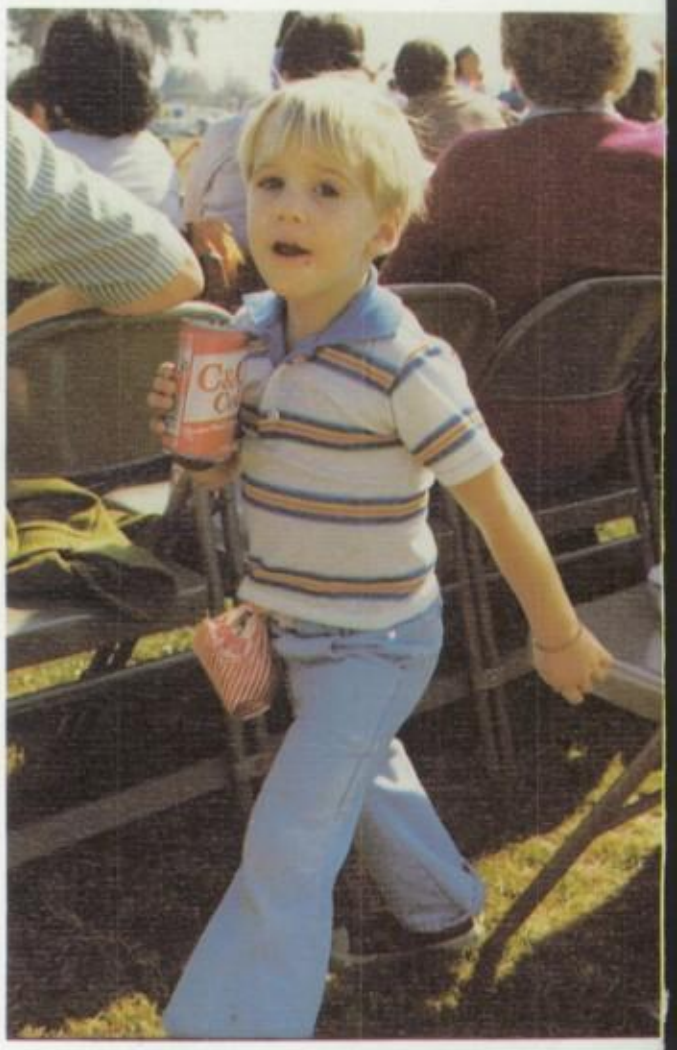


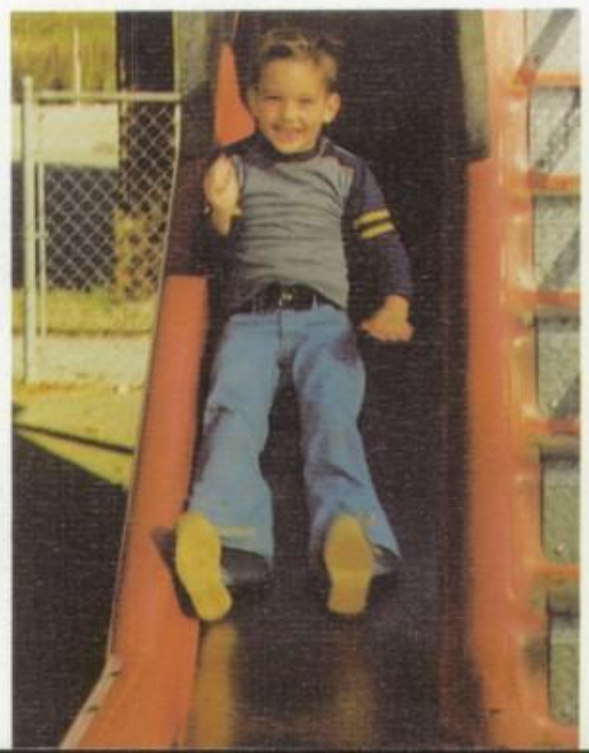
A faithful man shall abound with blessings . . .

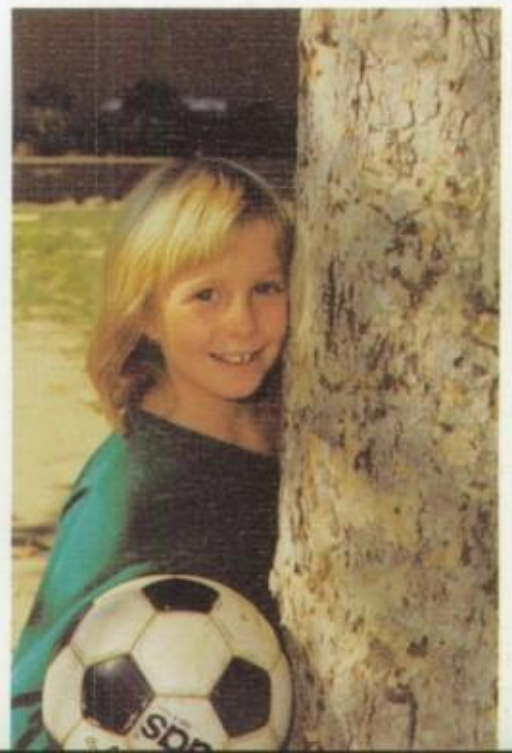
Proverbs 28:20

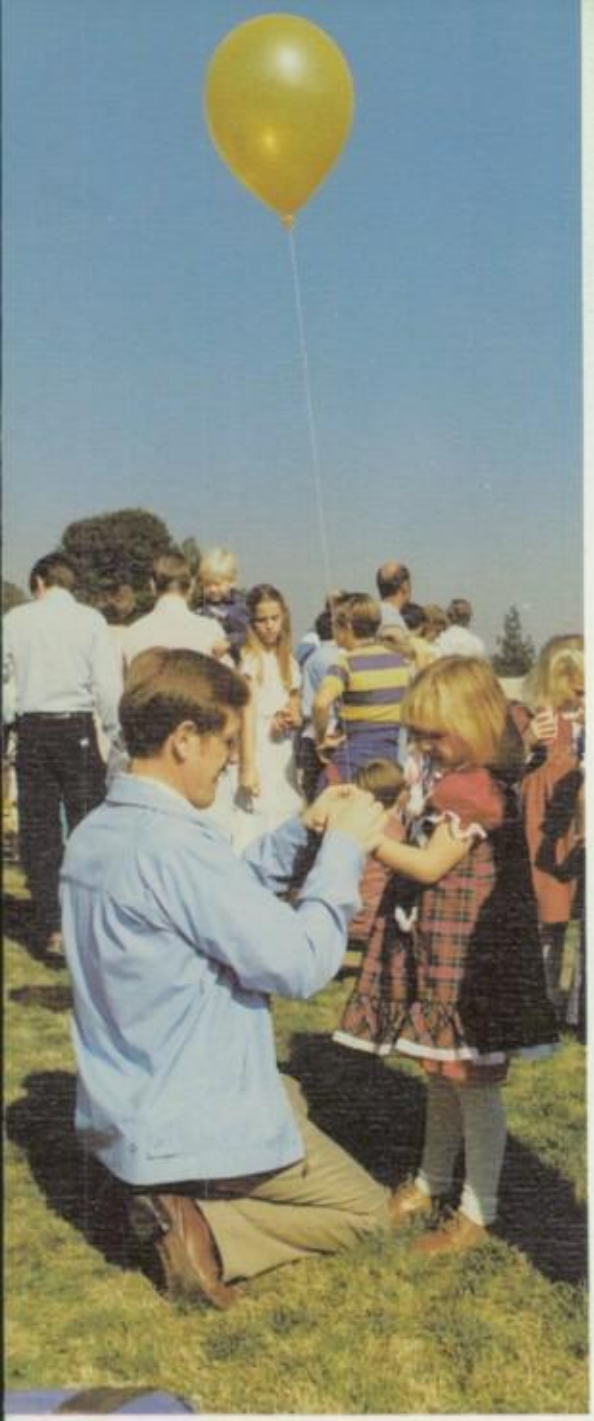












Reflections Of Faith

. . .

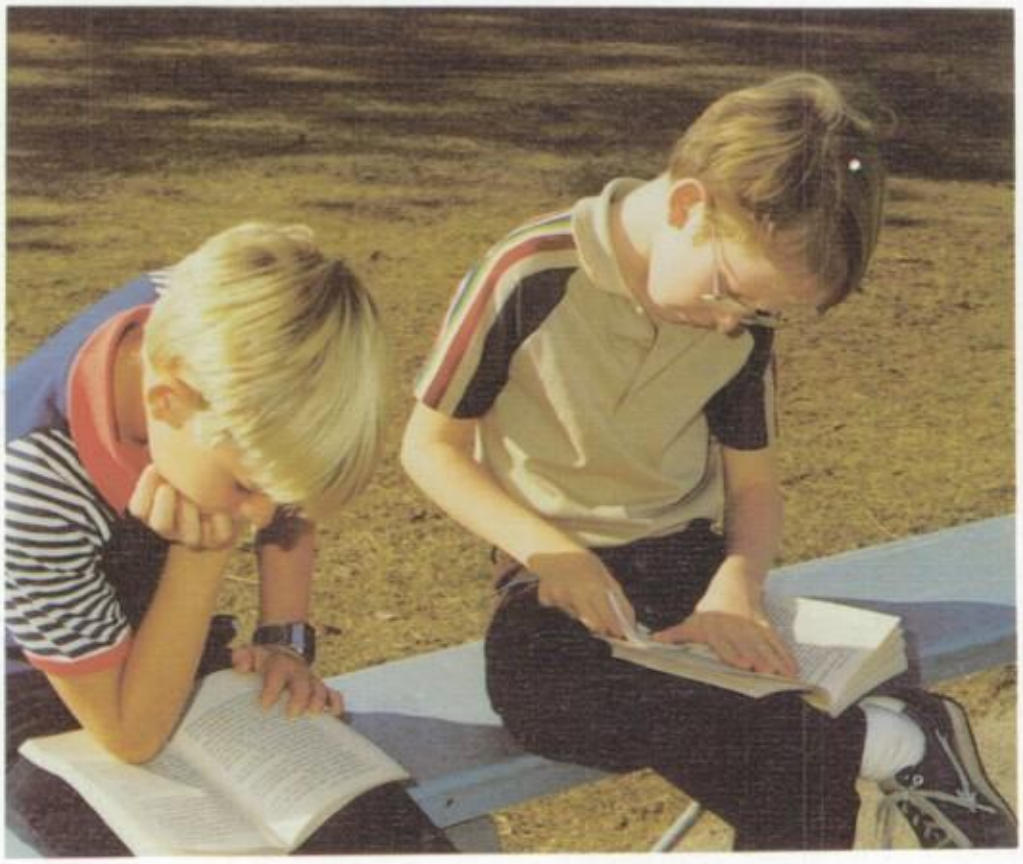
Mirror God's love, the smile of a child, the eager look of hope

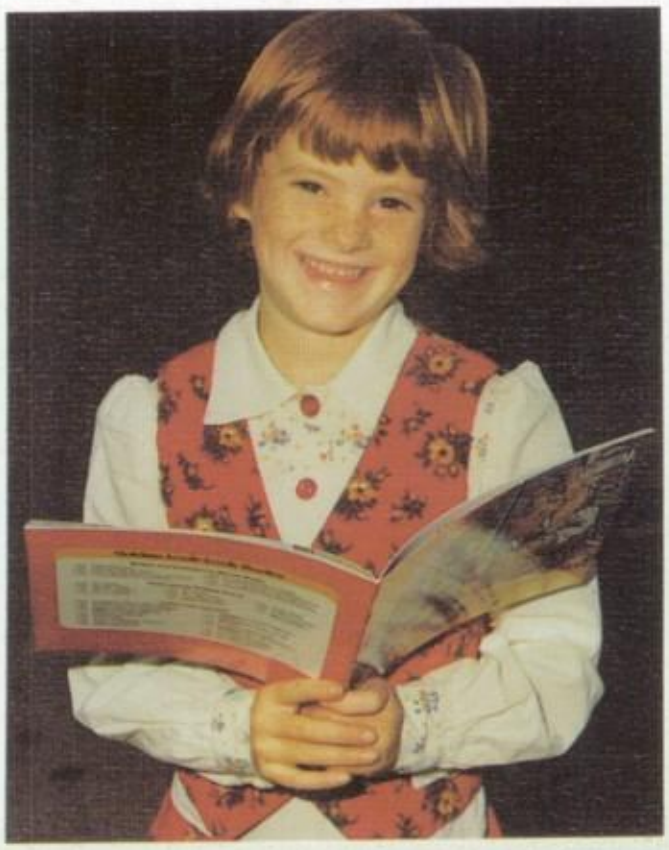
. . . I have loved thee with an everlasting love

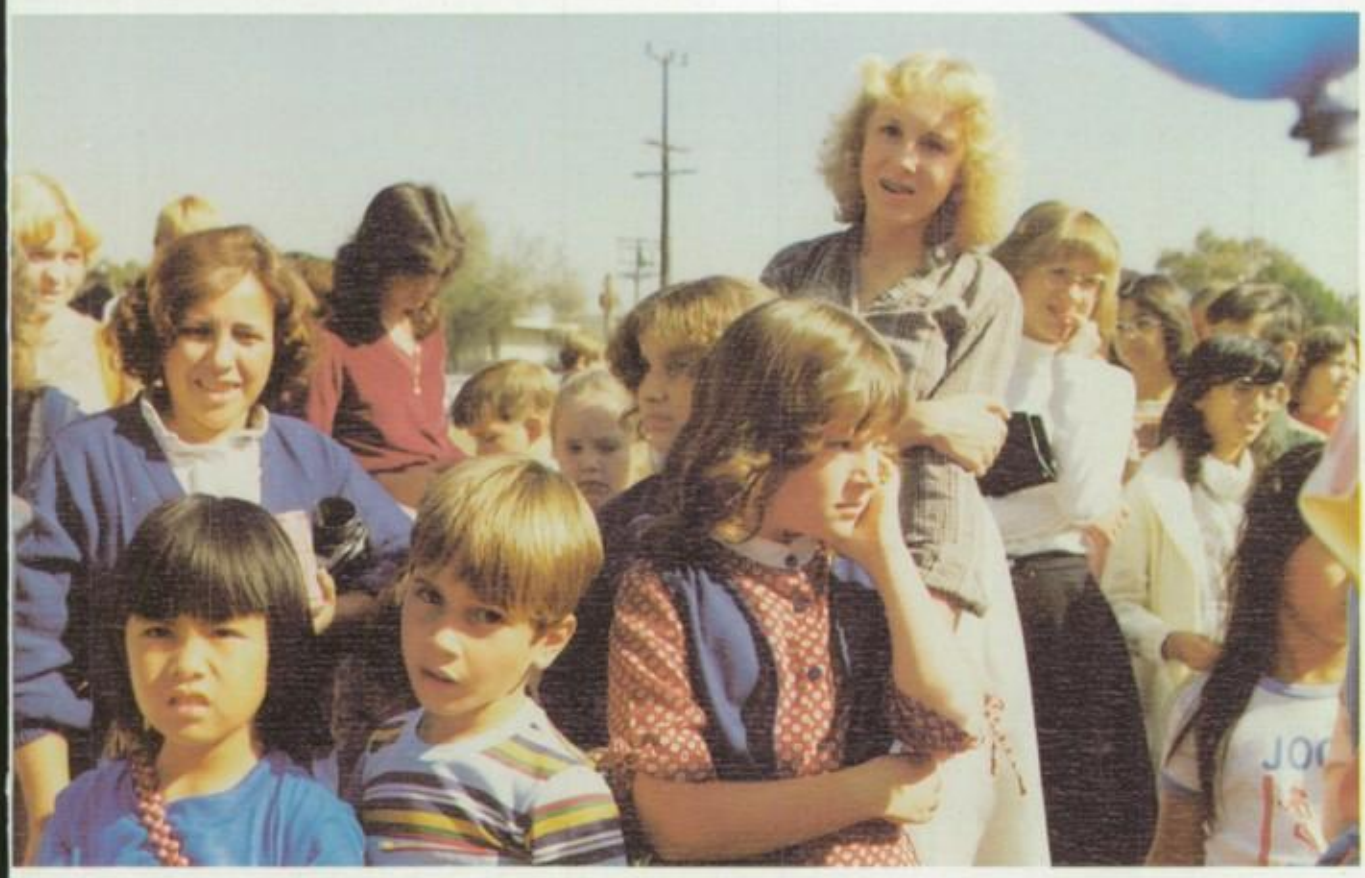
. . .

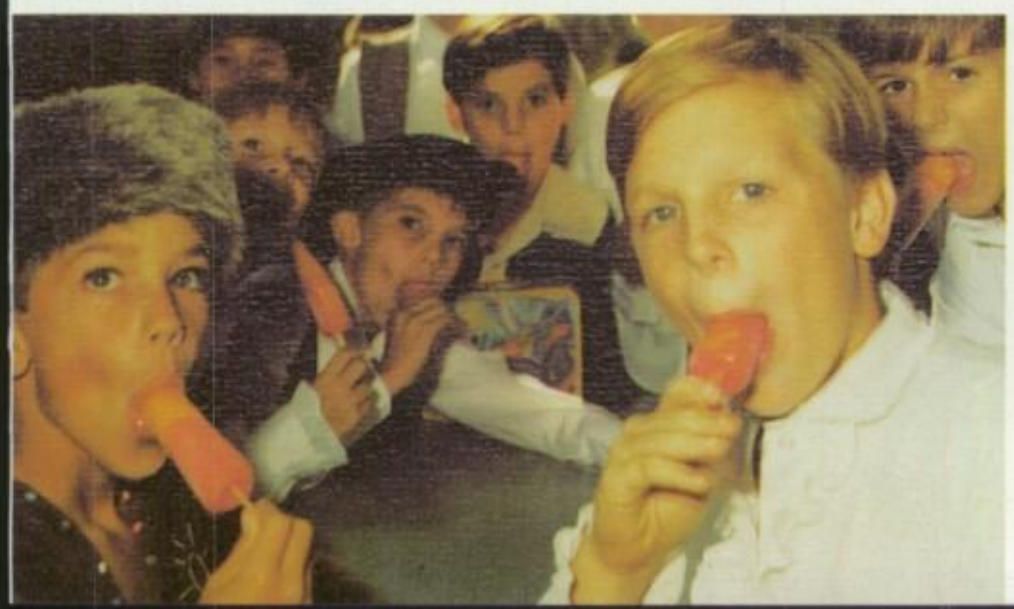
Jeremiah 31:3

BHS



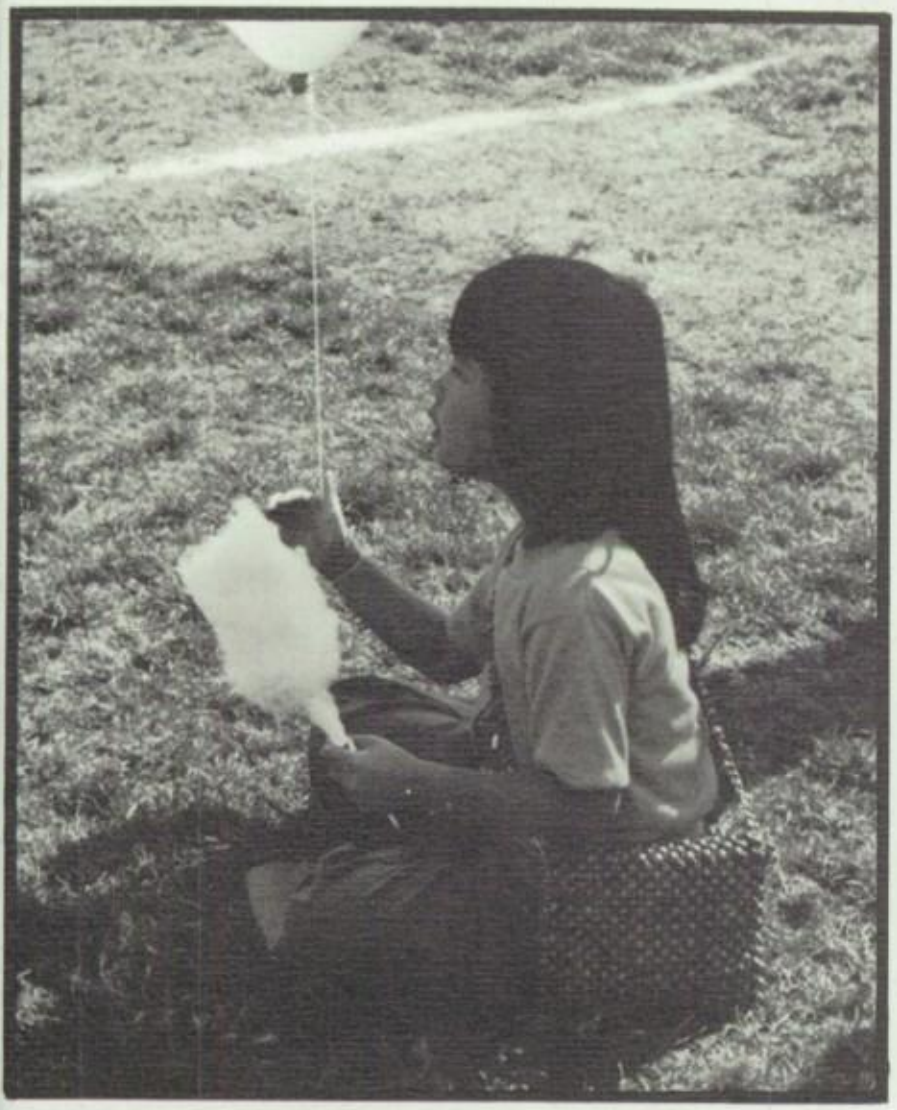






Reflections Of Faith . . .

Mirror God's grace, His unmerited favor



For by grace are ye saved through faith; and that not of yourselves, it is the gift of God.

Ephesians 2:8

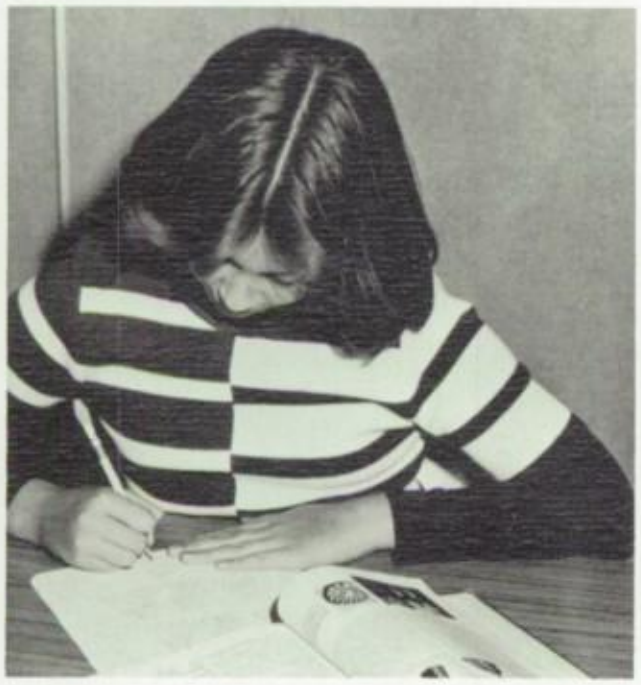
Sixth Grade



A variety of work is done in English in the sixth grade. This includes work in composition as well as the writing of four book reports each school year. The writing of a term paper is a major sixth grade project. The topic is modern Israel. Included in the study is a field trip to a Holy Land exhibition. Students learn how to take notes, make bibliography cards, write footnotes, and organize their thoughts on paper.

Sixth Grade

The Bible curriculum offers each student an exciting opportunity to learn about the Word of God. They are taught major doctrines such as salvation, inspiration, the Trinity, and sin. The study includes the books of Daniel, Acts, Ephesians, Philippians, Colossians, and First, Second, and Third John. A Bible verse is memorized each week and students must learn how to recite and spell the books of the Bible.

Sixth Grade

In addition to the basic study of capitalization and punctuation, sixth grade students also learn more advanced English grammar. This tudy is made up of simple and compound sentences, types of verbs, nouns and their uses (such as predicate nominatives), appositives, and pronouns as well as adjectives and adverbs. Students learn to diagram and practice using correct grammar in compositions and daily work in all subject areas.

God's plan for America is a special study in the sixth grade. Principles of character - individuality, industry, self-government, conscience, thrift, integrity, and dependability - are taught as part of our heritage. God's guidance in the formation of America's government as well as the geography of the United States are part of the study.

Fifth Grade

Each fifth grade student is expected to do a report on the state of his or her choice. In September, each student writes a letter to a source of information for the chosen state. Information is gathered and then put in a folder and presented to the teacher.

Four areas are chosen from the following to be covered in the report: state emblems, maps, work of the people, natural resources, places to visit, climate, government, important dates and events, famous people, and interesting facts about the state.

Fifth Grade

Science offers students an opportunity to learn about the world around them. Fifth graders study such topics as weather, Earth and space, matter, electricity, and the planets. A science project is done each year either on the universe or life systems. The students must also present the project orally to the class.

Fifth Grade

Fifth graders write four book reports during the school year. They choose from a list that includes **Heidi, Hans Brinker, Robinson Crusoe,** and **King of the Wind.** A two to three-page synopsis of the book is written including a description of each main character. Their reading also includes material from the **Mc Guffey Reader.** Such authors as Whittier and Hawthorne are in the reader. Comprehension tests are taken and dictionary skills are taught.

Fourth Grade

Students are required to do three book reports a year. Two must come from a required list and the third may be of the student's choice with the teacher's approval. The report must contain a title page, a description of main characters, and a synopsis of the book itself. As in all their work, students are expected to use their best penmanship and to describe the events of the book in an organized fashion.

Learning to use the dictionary correctly is of vital importance to a student. These students do exercises in practicing this skill. They must learn to find words quickly, recognize the part of speech given for each word, be able to read the pronunciation guide, and to determine its syllabication.

In the area of English students learn the types of sentences, punctuation, contractions, possessives, and plurals as well as recognizing all eight parts of speech.

Fourth Grade

The California State Report is a major project in the fourth grade. The report covers the history, geography, and government of the state as well as a presentation of the states symbols and several points of interest. Students write to such sources as the Governor's office, chambers of commerce, state assemblymen, and various state historical societies. They also do research in magazines, newspapers, and books. The reports are well written, beautifully organized, and orally presented by the students in calss.

Third Grade

Third grade students learn a great deal about the English language. The study of traditional English grammar has as its basis the knowledge of the parts of speech and their usage. Not only must students be able to identify the parts of speech, but they must be able to diagram compound subjects, compound verbs, conjunctions, and modifiers. They must also be able to diagram compound sentences. Punctuation includes learning the use of periods, commas, quotation marks, and apostrophes.

Third Grade

Principles of Christian character are thoroughly taught in Bible classes. Through the study of the books of John and Proverbs and biographies of great Christians, students learn the value of honesty, diligence, orderliness, humility, and friendliness. The addition of hymns and gospel songs make the study a joyful time for the students.

The study of reading in the third grade includes oral work, comprehension, phonics, and vocabulary. The vocabulary includes synonyms, antonyms, and homonyms.

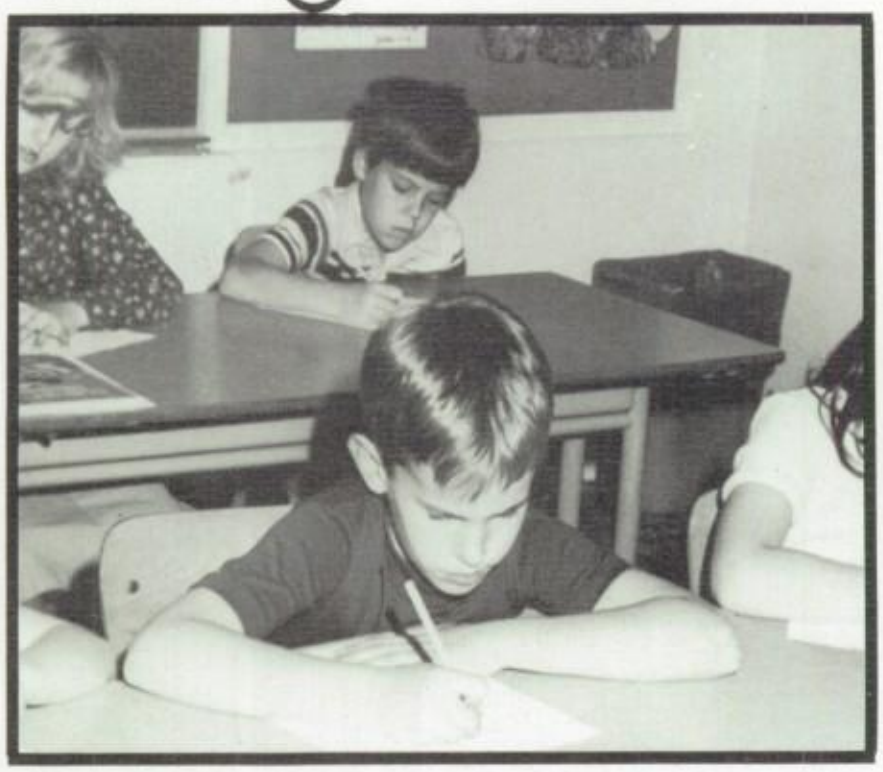
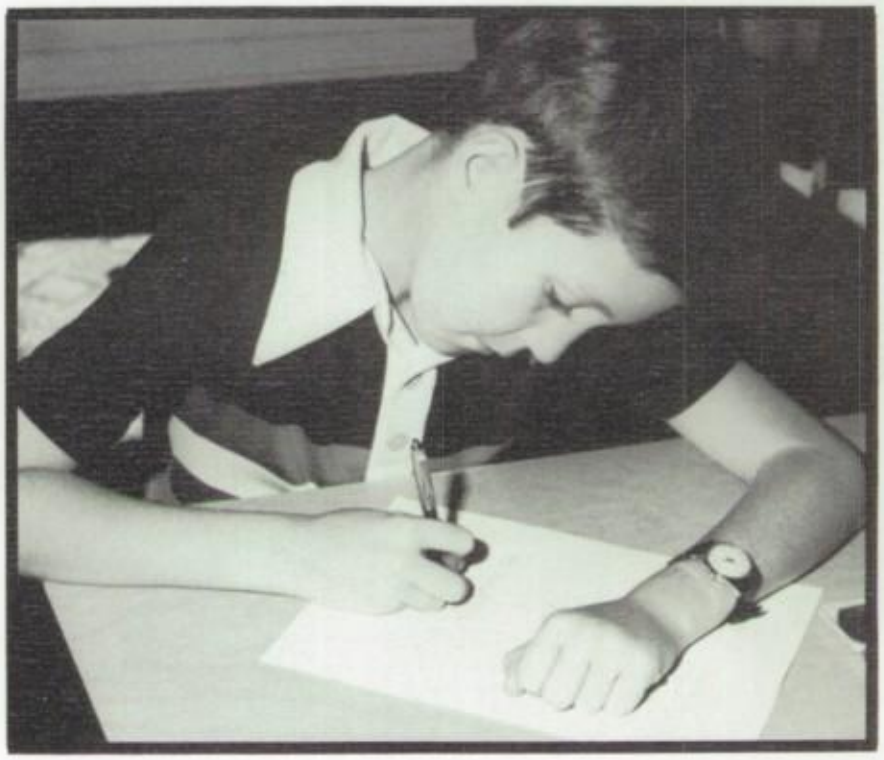
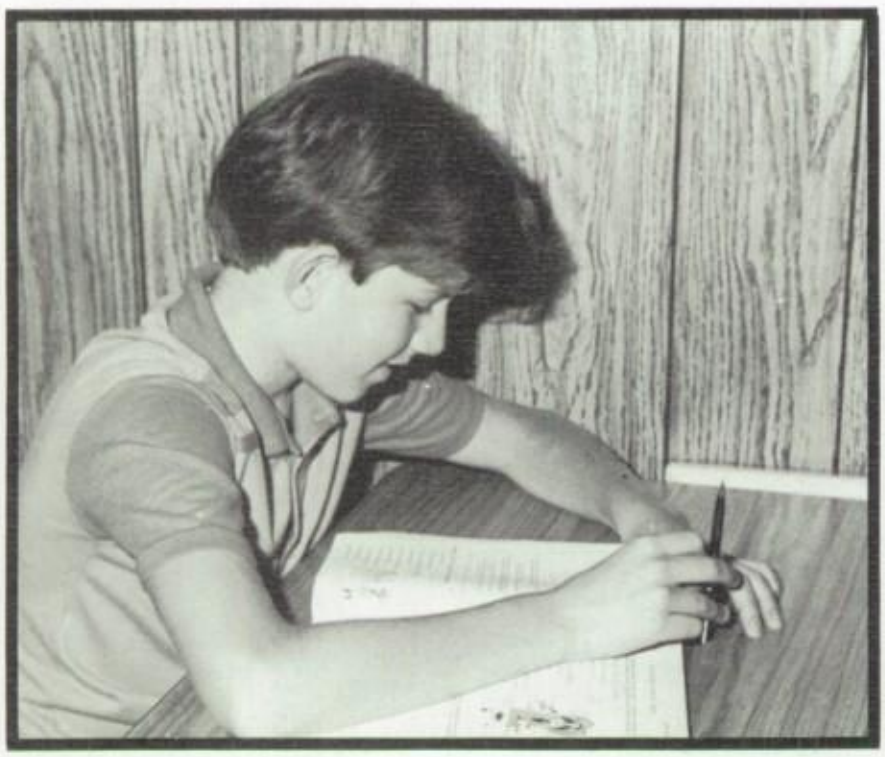
Visiting Classrooms . . .

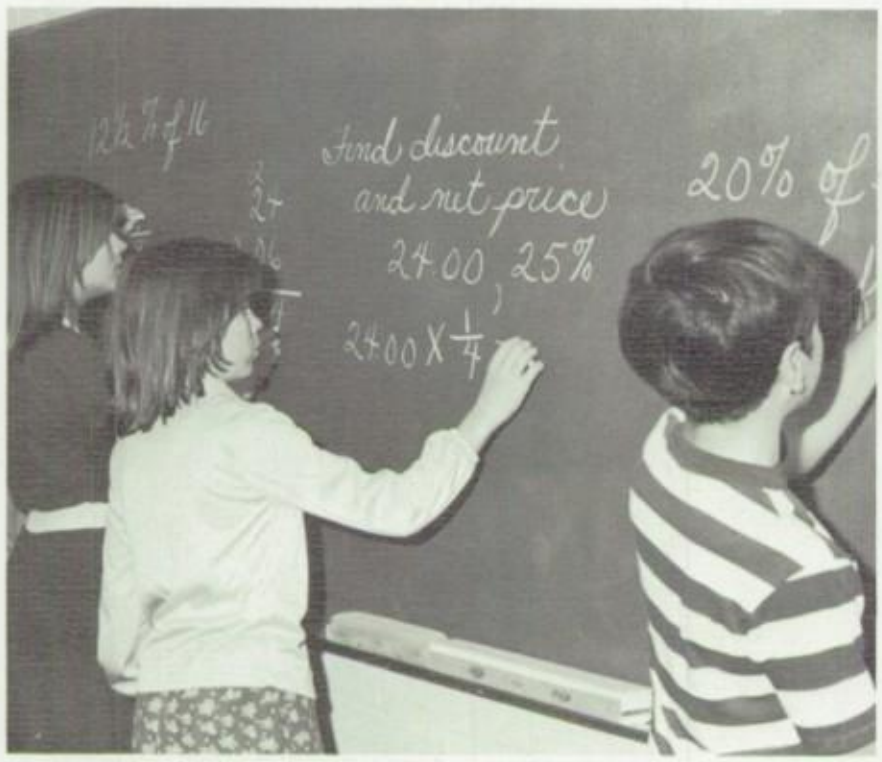






Summer School

Each summer a program of remedial as well as enrichment work is offered at Faith Baptist. This program helps students to remain mentally active during the summer months. These students are working sample arithmetic problems on the board.



Tutoring

In an effort to help each student as much as possible, tutoring offered in subjects such as arithmetic and reading. Teachers desire to help students achieve the highest goals and are willing to give help.

Day Care

Day Care is offered to those families who find it necessary for the student to remain at school longer than the school day. Under supervision, students have free play or may study if they wish.

Piano And Voice Training

Piano and voice are offered in both elementary and high schools. Students receive thorough instruction in music theory.

Mrs. Haight instructs piano.

Colonial Day

This annual event is a festive occasion at Faith Baptist. The campus comes alive with youngsters in brightly colored costumes. Each student dresses in the Colonial person of his choice and does a report on that person. Time is spent doing research on the life of the colonist. Reports are then presented orally in class. Many classes have their own special activities, such as making butter. Another attractive feature of Colonial Day is the luncheon that is available to everyone.

A CHURCH THAT STANDS UP TO BE COUNTED FOR AMERICANISM

- For "old-fashioned' patriotism
- To seek to uphold the strength of the Constitution
- To oppose the blight of communism and socialism
- To maintain the freedom handed down by our forefathers forefathers

A CHURCH THAT BELIEVES IN THE "OLD TIME RELIGION" MAINTAINING:

- The Bible is the infallibly inspired Word of God
- Jesus Christ alone is Saviour from our sins
- The church's people should actively witness for Christ

A CHURCH WITH AN ACTIVE PROGRAM FOR ALL AGES

Sunday Services	
"A" Sunday School	9:00 a.m.
Junior Church	10:00 a.m.
Preaching Service	10:00 a.m.
Spanish Sunday School	10:00 a.m.
"B" Sunday School	11:20 a.m.
Spanish Preaching Service	11:10 a.m.
Christian Youth Fellowship	6:00 p.m.
Evening Service	7:00 p.m.
Wednesday Services (English and Spanish)	7:00 p.m.
Thursday Activities	
Visitation	6:45 p.m.
Awana Program	6:45 p.m.

Reachout Ministries presents . . .

THE REACHOUT TRIO

Available for . . .

Church services
Meetings
Banquets
Retreats
Conventions
Special Occasions

We hope you'll invite us to come to you to share Christ's message, or that you will be able to join us soon for a Reachout Rally . . .

Rallies are held on the first Saturday of each month in the Hall of Liberty at Forest Lawn, Hollywood Hills.

Reachout presents the finest in Christian entertainment with an evangelistic emphasis, and offers a broad variety of styles and sounds for the entire family.

Reachout Ministries

Dear Seniors,

The time has come to say good-bye
The time has come to part
But as long as we have memories
We'll share each others hearts
Now even though we say good-bye
I know there's nothing lost
Because we've gained and learned and loved
Because our paths have crossed
May there be no sadness of farewell
For in memories our friendships
live on forever.

With much love and best wishes,

Tanya

The Ideal Way

Aloe-Vera is truly the "Miracle Plant." Aloe-Vera's enzyme action sloughs off dead skin tissues which stimulates the growth of new healthy skin tissues.

Only in recent years has the Aloe-Vera's Gel been able to be preserved. IDEAL has a special cold stabilization process which preserves all the enzyme action of the true Aloe-Vera. Many companies use a pasteurization process which actually destroys the enzymes, vitamins, and amino acids.

Use the Aloe consistently for thirty days before you come to any conclusions. — You will be rewarded!

The miracle of Aloe-Vera Gel, combined with Collagen, and Cherry Pit Oil is your first step to a more radiant, beautiful person. A treat as well as a treatment is yours when you use IDEAL'S Aloe-Vera products.

IDEAL, INC. makes no medical claims. The story of our products is best told by satisfied customers who have used our products and have actually experienced their benefits. ALOE REALLY WORKS!! Test for yourself and see the difference.

FIGHTING SWIMMING POOL HEATING COSTS?

USE THE
DEARING STOLOC™ ENERGY SAVING REEL SYSTEMS WITH FLOATING BLANKET

Now a faster and more convenient way to cover or remove your blanket. The Dearing Stoloc Reel Systems are attractive, easy to use and available in two portable models. Quick detachable fasteners and 2" wide leaders to an anodized aluminum reel core, complete with winding wheels.

And either the Redwood Reel Stands and Vinyl Tarp for convenient reeling on and off your solar blanket or the Stoloc™ Portable Reel/Locker Bench. With the Dearing 'Total System' you extend the comfortable no gas swimming season from April to mid-October. Save ¾ of your gas costs during the balance of the year.

Please call or mail your pool and decking dimensions to:

"Hate the evil, and love the good, and establish judgment in the gate . . ." Amos 5:15

Bob Jones University is the place for those who want to recognize God's enemies as enemies, to learn to be brotherly toward those on the Lord's side, and to distinguish by righteous judgment the difference between His friends and His enemies and treat each accordingly.

"World's Most Unusual University"®

BOB JONES *University*

GREENVILLE, SOUTH CAROLINA 29614
TELEPHONE (803) 242-5100

A Fundamental, Christian liberal arts university offering graduate degrees in religion, education, and fine arts and more than 50 undergraduate majors. Instruction in music, speech, and art without additional cost. Institute of Christian Service, Institute for Christian Tradesmen, and grades K-12 in connection.

Stands without apology for the "old-time religion" and the absolute authority of the Bible.
